

Face“Group”

Face “Group” sharing

Objectives:

- To give the students an opportunity to share what they have collected in the City “We”Search activity.
- Through discussion and sharing of ideas, to broaden the horizons of the students and to enhance their analytical and articulation skills.

Activity Format:

Group sharing and voting (1 lesson)

Recommendations:

- Guide the students in prioritising their opinions.
- Teachers may evaluate the students' sharing of information and their views on the topics.

GROUP C

1. Lorem ipsum dolor sit amet, consectetur adipiscing elit.
2. Maecena olutpat enim ut augue mattis quis scelerisque torto.
3. Condimentum maecenas mattis pharetra lectus, nec lacinia metu.
4. Egestas vitae. Proin auctor magna a eros ullamcorper.
5. Ongue etiam sed risuselit vstibulu dictum velut magna nullam.

GROUP D

1. Lorem ipsum dolor sit amet, consectetur adipiscing elit.
2. Maecena olutpat enim ut augue mattis quis scelerisque torto.
3. Condimentum maecenas mattis pharetra lectus, nec lacinia metu.
4. Egestas vitae. Proin auctor magna a eros ullamcorper.
5. Ongue etiam sed risuselit vstibulu dictum velut magna nullam.

Procedure:

1. Before class, ask each group to summarise the information collected in the City "We"Search activity and their views. Each group is required to select their 5 most crucial points to share by writing them on 5 pieces of paper;
2. During class, ask each group to post up their selected points on a board;
3. Each group will be given 2 minutes to explain their points;
4. When all the groups finish their sharing, the teacher will give each student 3 'Like' stickers.
5. Each student will choose 3 best points to support, by using the 'Like' stickers.
6. The teacher may lead discussion on the top 3 points that got the most of the 'Like' stickers, by listening to the students' views and giving feedback.

(Note: Teachers can also invite the students to post up the points on a board in class but to vote using the stickers after class. Discussion can take place in the next lesson.)

Extended Activity:

Teachers may distribute reference information to the students, to help them further understand the work of urban renewal and the controversies concerned.
